

2. Job Posting: Student Assistant (m/f/d) – Support for Film and Photography Documentation of Artist Residency

Period: December 1 to March 30

Scope: To be arranged (potentially on a freelance basis)

Location: Iwalewahaus

We are looking for a dedicated student assistant to provide film and photographic documentation of the artist residency of musician and instrument maker Thandeka Mfinyongo. Capture the unique artistic processes, workshops, and events of this residency program through audiovisual documentation.

Your Responsibilities:

- Film and photograph the residency: recording interviews, workshops, and special moments
- Create artist portraits, document work steps, and capture the creative process
- Prepare and follow up on shoots and photo sessions, including planning scenes and organizing materials
- Support in post-production: image and video editing, cutting short clips for social media and website
- Archive and document visual and video materials for the final presentation

Your Profile:

- Enrolled university student
- Initial experience in film and photo production (shooting and editing) and familiarity with editing software
- Passion for art and music, with a sensitivity in working with artists and cultural themes
- Organizational talent, an open personality, and a passion for creative work
- Independent and detail-oriented work style

We Offer:

- Insights into the work of an international artist residency and the cultural environment of a diverse music and art scene
- The opportunity to develop your practical skills in film and photography documentation
- Flexible work hours and a dynamic, creative environment

Interested? We look forward to your application! Please send a short (!) cover letter and resume by November 15 to katharina.greven@uni-bayreuth.de, or contact us at 017684847010.

We look forward to documenting the residency program with you!
