

1. Job Posting: Student Assistant (m/f/d) – Residency Program Support

Period: December 1 to March 30

Scope: 20 hours per month

Location: Iwalewahaus

We are seeking a motivated and creative student assistant to support the artist residency program for talented musician and instrument maker Thandeka Mfinyongo. This role involves assisting in the organization and coordination of residency activities.

Your Responsibilities:

- Assisting with the organization and execution of the residency program, particularly for workshops and events
- Communicating with and supporting artists and workshop participants
- Assisting in the planning and execution of events (e.g., Meet the Artist, instrument-building workshops, final concert)
- Providing general administrative and logistical support for the residency program
- Supporting public relations and social media: managing the website and creating posts for events and activities

Your Profile:

- Enrolled university student
- Enthusiasm for art and music, and interest in working with artists and cultural projects
- Strong organizational skills and reliability
- Strong communication skills with a friendly, open personality
- Independent, structured work style and flexibility

We Offer:

- Exciting insights into the work of an internationally known musician and the world of instrument-making
- Flexible work in a creative, dynamic environment
- The chance to gain valuable practical experience in the arts and culture sector and contribute your ideas

Interested? We look forward to your application! Please send a short (!) cover letter and your resume by November 15 to katharina.greven@uni-bayreuth.de, or contact us at: 017684847010.

We look forward to meeting you and working together to shape this residency program!
